

Specification

Technical Data Sheet

| | |
|---------------------|----------------------------------|
| Product Name | Ethylxanthic acid potassium salt |
|---------------------|----------------------------------|

| | |
|-------------------|----------|
| Product No | 32015654 |
|-------------------|----------|

| | |
|-------------------|----------|
| CAS Number | 140-89-6 |
|-------------------|----------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|--------|
| Molecular Weight | 160.30 |
|-------------------------|--------|

Specification

| | |
|-------------------|-------|
| Appearance | Solid |
|-------------------|-------|

| | |
|-----------------------|-----------------------|
| Identification | Conforms to reference |
|-----------------------|-----------------------|
