

Specification

Technical Data Sheet

Product Name	Guanidine carbonate
---------------------	---------------------

Product No	32431272
-------------------	----------

CAS Number	593-85-1
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	180.17
-------------------------	--------

Specification

Appearance	Solid
-------------------	-------

Heavy metals	≤10ppm
---------------------	--------

Identification	Conforms to reference
-----------------------	-----------------------

Loss on Drying	≤0.5%
-----------------------	-------

pH	10-12.5
-----------	---------

Assay	≥98%
--------------	------

Sulphated Ash	≤0.5%
----------------------	-------
