

# Specification

## Technical Data Sheet

<b>Product Name</b>	Tetrabutylammonium-p-toluenesulfonate
---------------------	---------------------------------------

<b>Product No</b>	32782086
-------------------	----------

<b>CAS Number</b>	7182-86-7
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	413.66
-------------------------	--------

### Specification

<b>Appearance</b>	Pale yellow or off-white solid
-------------------	--------------------------------

<b>Water</b>	$\leq 0.5\%$
--------------	--------------

<b>Purity</b>	$\geq 98\%$
---------------	-------------
