

Specification

Technical Data Sheet

| | |
|---------------------|--------------------------------|
| Product Name | 4-Dimethylaminopyridine (DMAP) |
|---------------------|--------------------------------|

| | |
|-------------------|----------|
| Product No | 32942968 |
|-------------------|----------|

| | |
|-------------------|-----------|
| CAS Number | 1122-58-3 |
|-------------------|-----------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|--------|
| Molecular Weight | 122.17 |
|-------------------------|--------|

Specification

| | |
|-------------------|---------------------------------------|
| Appearance | White to off white crystalline powder |
|-------------------|---------------------------------------|

| | |
|-----------------------|-----------------------|
| Identification | Conforms to reference |
|-----------------------|-----------------------|

| | |
|--------------|--------------|
| Water | $\leq 0.5\%$ |
|--------------|--------------|

| | |
|--------------|---------------|
| Assay | $\geq 99.0\%$ |
|--------------|---------------|
