

Specification

Technical Data Sheet

Product Name	Periodic acid
---------------------	---------------

Product No	33048133
-------------------	----------

CAS Number	10450-60-9
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	227.94
-------------------------	--------

Specification

Appearance	white crystal powder
-------------------	----------------------

Assay	99%min
--------------	--------
