

Specification

Technical Data Sheet

Product Name	Thiophene
---------------------	-----------

Product No	33530890
-------------------	----------

CAS Number	110-02-1
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	84.14
-------------------------	-------

Specification

Appearance	Colourless to light yellow liquid
-------------------	-----------------------------------

Loss on Drying	$\leq 0.1\%$
-----------------------	--------------

Assay	$\geq 99\%$
--------------	-------------
