

# Specification

## Technical Data Sheet

<b>Product Name</b>	Quinoline-5-carboxylic acid
---------------------	-----------------------------

<b>Product No</b>	33935955
-------------------	----------

<b>CAS Number</b>	7250-53-5
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	173.17
-------------------------	--------

### Specification

<b>Appearance</b>	Cream / Brown Solid
-------------------	---------------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------
