

Specification

Technical Data Sheet

Product Name	2,6-Dichloropyridine
---------------------	----------------------

Product No	34574238
-------------------	----------

CAS Number	2402-78-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	147.99
-------------------------	--------

Specification

Appearance	Solid
-------------------	-------
