

# Specification

## Technical Data Sheet

<b>Product Name</b>	Acenaphthenequinone
---------------------	---------------------

<b>Product No</b>	34702085
-------------------	----------

<b>CAS Number</b>	82-86-0
-------------------	---------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	182.17
-------------------------	--------

### Specification

<b>Appearance</b>	Yellow crystal
-------------------	----------------

<b>Assay</b>	>98% (HNMR)
--------------	-------------

<b>Identification (HNMR)</b>	Conforms
------------------------------	----------
