

Specification

Technical Data Sheet

Product Name	p-Benzoquinone
---------------------	----------------

Product No	34818722
-------------------	----------

CAS Number	106-51-4
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	108.09
-------------------------	--------

Specification

Appearance	Yellow/brown powder
-------------------	---------------------

Ash	<0.05%
------------	--------

Melting Point	112 - 116 Deg C
----------------------	-----------------

Water	<0.5%
--------------	-------

Assay	Min99%
--------------	--------
