

Specification

Technical Data Sheet

Product Name	1,5-Diaminopentane
---------------------	--------------------

Product No	35234200
-------------------	----------

CAS Number	462-94-2
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	102.18
-------------------------	--------

Specification

Appearance	Colourless liquid
-------------------	-------------------

Water	$\leq 0.2\%$
--------------	--------------

Assay	$\geq 99\%$
--------------	-------------

Colour (APHA)	≤ 10
----------------------	-----------

Iron (Fe)	$\leq 10\text{ppm}$
------------------	---------------------

Identification (IR)	Conforms to reference
----------------------------	-----------------------
