

Specification

Technical Data Sheet

Product Name	Indium(III) trifluoromethanesulfonate
---------------------	---------------------------------------

Product No	35446954
-------------------	----------

CAS Number	128008-30-0
-------------------	-------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	562.03
-------------------------	--------

Specification

Appearance	White solid
-------------------	-------------

Assay	>98%
--------------	------
