

Specification

Technical Data Sheet

Product Name	Guanidine hydrochloride Ultrapure
---------------------	-----------------------------------

Product No	35776529
-------------------	----------

CAS Number	50-01-1
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	95.53
-------------------------	-------

Specification

Appearance	Solid
-------------------	-------

Identification	Conforms to reference
-----------------------	-----------------------
