

# Specification

## Technical Data Sheet

<b>Product Name</b>	Leupeptin hemisulfate
---------------------	-----------------------

<b>Product No</b>	35875057
-------------------	----------

<b>CAS Number</b>	103476-89-7
-------------------	-------------

<b>Storage Temperature</b>	-15 to -20 °C
----------------------------	---------------

<b>Molecular Weight</b>	475.59
-------------------------	--------

### Specification

<b>Appearance</b>	White crystalline powder
-------------------	--------------------------

<b>Assay</b>	>96.5%
--------------	--------
