

Specification

Technical Data Sheet

Product Name	4-(Chloromethyl)benzonitrile
---------------------	------------------------------

Product No	36328883
-------------------	----------

CAS Number	874-86-2
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	151.59
-------------------------	--------

Specification

Appearance	White needle crystal
-------------------	----------------------

Impurity	≤0.5%
-----------------	-------

Assay	≥98.0% HPLC
--------------	-------------

Dichloro	≤0.5%
-----------------	-------
