

Specification

Technical Data Sheet

Product Name	Oxyclozanide
---------------------	--------------

Product No	36411711
-------------------	----------

CAS Number	2277-92-1
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	401.46
-------------------------	--------

Specification

Appearance	White to off white powder
-------------------	---------------------------
