

# Specification

## Technical Data Sheet

<b>Product Name</b>	(1S)-(+)-Camphor-10-sulfonic acid
---------------------	-----------------------------------

<b>Product No</b>	36619497
-------------------	----------

<b>CAS Number</b>	3144-16-9
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	232.30
-------------------------	--------

### Specification

<b>Appearance</b>	Almost white crystalline powder
-------------------	---------------------------------

<b>Loss on Drying</b>	≤1.0%
-----------------------	-------

<b>Melting Point</b>	193 - 202 °C
----------------------	--------------

<b>Specific rotation</b>	+21° to +23°
--------------------------	--------------

<b>Assay</b>	≥99.0%
--------------	--------
