

# Specification

## Technical Data Sheet

<b>Product Name</b>	N-Guanylurea sulfate
---------------------	----------------------

<b>Product No</b>	36862838
-------------------	----------

<b>CAS Number</b>	591-01-5
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	302.27
-------------------------	--------

### Specification

<b>Appearance</b>	White powder
-------------------	--------------

<b>Assay</b>	$\geq 98\%$
--------------	-------------

<b>Moisture</b>	$\leq 0.5\%$
-----------------	--------------

<b>Particle Size</b>	Pass 10 screen
----------------------	----------------

<b>Water solubility</b>	Clear
-------------------------	-------
