

Specification

Technical Data Sheet

Product Name	5,6-Dimethoxyindole
---------------------	---------------------

Product No	36873080
-------------------	----------

CAS Number	14430-23-0
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	177.20
-------------------------	--------

Specification

Appearance	Gray powder
-------------------	-------------

Water	$\leq 0.5\%$
--------------	--------------

Assay	$\geq 98\%$
--------------	-------------
