

Specification

Technical Data Sheet

Product Name	Cacodylic acid sodium salt hydrate
---------------------	------------------------------------

Product No	37416456
-------------------	----------

CAS Number	124-65-2
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	159.98
-------------------------	--------

Specification

Appearance	Crystalline powder
-------------------	--------------------
