

Specification

Technical Data Sheet

Product Name	Diocetyl sulfosuccinate sodium salt
---------------------	-------------------------------------

Product No	37435512
-------------------	----------

CAS Number	577-11-7
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	444.56
-------------------------	--------

Specification

Appearance	Colourless to White to Pale yellow solid block
-------------------	--

Identification	Conforms to reference
-----------------------	-----------------------

pH	4.0 - 7.0
-----------	-----------

Active substance	92% - 94%
-------------------------	-----------

Assay	97% - 100%
--------------	------------
