

# Specification

## Technical Data Sheet

<b>Product Name</b>	Glycine tert-butyl ester hydrochloride
---------------------	--

<b>Product No</b>	37854052
-------------------	----------

<b>CAS Number</b>	27532-96-3
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	167.63
-------------------------	--------

### Specification

<b>Appearance</b>	White crystalline powder
-------------------	--------------------------

<b>Loss on Drying</b>	≤0.8%
-----------------------	-------

<b>Melting Point</b>	136 - 144°C
----------------------	-------------

<b>Water</b>	≤0.10%
--------------	--------

<b>Assay</b>	98.0 - 101.0%
--------------	---------------
