

# Specification

## Technical Data Sheet

|                     |   |
|---------------------|---|
| <b>Product Name</b> | Hydroquinone sulfonic acid potassium salt |
|---------------------|---|

|                   |          |
|-------------------|----------|
| <b>Product No</b> | 38051919 |
|-------------------|----------|

|                   |            |
|-------------------|------------|
| <b>CAS Number</b> | 21799-87-1 |
|-------------------|------------|

|                            |         |
|----------------------------|---------|
| <b>Storage Temperature</b> | Ambient |
|----------------------------|---------|

|                         |        |
|-------------------------|--------|
| <b>Molecular Weight</b> | 228.27 |
|-------------------------|--------|

### Specification

|                   |                          |
|-------------------|--------------------------|
| <b>Appearance</b> | white crystalline powder |
|-------------------|--------------------------|

|              |       |
|--------------|-------|
| <b>Assay</b> | ≥ 98% |
|--------------|-------|
