

# Specification

## Technical Data Sheet

<b>Product Name</b>	Aminopterin hydrate
---------------------	---------------------

<b>Product No</b>	38080224
-------------------	----------

<b>CAS Number</b>	54-62-6
-------------------	---------

<b>Storage Temperature</b>	-15 to -20 °C
----------------------------	---------------

<b>Molecular Weight</b>	440.41
-------------------------	--------

### Specification

<b>Appearance</b>	Brownish yellow or yellow crystalline powder
-------------------	--

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------

<b>Water</b>	≤2.0%
--------------	-------

<b>Assay</b>	≥98%
--------------	------

<b>Chromatographic purity</b>	Total ≤2.0%
-------------------------------	-------------
