

Specification

Technical Data Sheet

Product Name	5-Ethyluracil
---------------------	---------------

Product No	38127331
-------------------	----------

CAS Number	4212-49-1
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	140.14
-------------------------	--------

Specification

Appearance	Crystalline powder
-------------------	--------------------
