

Specification

Technical Data Sheet

Product Name	Thidiazuron (1-phenyl- 3-(1,2,3-thiadiazol-5-yl)urea)
---------------------	---

Product No	38679790
-------------------	----------

CAS Number	51707-55-2
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	220.251
-------------------------	---------

Specification

Appearance	Yellowish Powder
-------------------	------------------

Loss on Drying	$\leq 2.0\%$
-----------------------	--------------

Melting Point	210°C - 212°C
----------------------	---------------

Assay	$\geq 95\%$
--------------	-------------

Residue on Ignition	$\leq 1.0\%$
----------------------------	--------------
