

Specification

Technical Data Sheet

Product Name	tert-Butyldimethylchlorosilane (TBSCI)
---------------------	--

Product No	38882574
-------------------	----------

CAS Number	18162-48-6
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	150.73
-------------------------	--------

Specification

Appearance	Colourless crystal
-------------------	--------------------

Melting Point	88.8 - 90.9 °C
----------------------	----------------

Assay GC	≥99%
-----------------	------
