## Technical Data Sheet

|                            |   |
|----------------------------|---|
| <b>Product Name</b>        | Methacrylic acid (stab. with 100-250ppm MEHQ) |
| <b>Product No</b>          | 38891422                                      |
| <b>CAS Number</b>          | 79-41-4                                       |
| <b>Storage Temperature</b> | Ambient                                       |
| <b>Molecular Weight</b>    | 86.09   |

### Specification

|                   |                         |
|-------------------|-------------------------|
| <b>Appearance</b> | Clear colourless liquid |
| <b>Water</b>      | <0.5%                   |
| <b>Assay GC</b>   | >98%                    |
