

Specification

Technical Data Sheet

Product Name	alpha,alpha-Dichloro-p-xylene
---------------------	-------------------------------

Product No	38947698
-------------------	----------

CAS Number	623-25-6
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	175.06
-------------------------	--------

Specification

Appearance	Solid
-------------------	-------
