

Specification

Technical Data Sheet

Product Name	1,8-Octanediol
---------------------	----------------

Product No	39367958
-------------------	----------

CAS Number	629-41-4
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	146.23
-------------------------	--------

Specification

Appearance	White solid
-------------------	-------------

Acid number	≤ 1.0 mgKOH/g
--------------------	--------------------

Purity	$\geq 99\%$
---------------	-------------

Saponification value (mgKOH/g)	≤ 3.0
---------------------------------------	------------
