

Specification

Technical Data Sheet

Product Name	Chromium (III) nitrate nonahydrate
---------------------	------------------------------------

Product No	39626773
-------------------	----------

CAS Number	7789-02-8
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	400.15
-------------------------	--------

Specification

Appearance	Purple red crystal
-------------------	--------------------

Assay	$\geq 98.0\%$
--------------	---------------

Iron (Fe)	$\leq 0.05\%$
------------------	---------------

Chloride (IC)	$\leq 0.01\%$
----------------------	---------------

Sulphate (SO4)	$\leq 0.02\%$
-----------------------	---------------
