

Specification

Technical Data Sheet

Product Name	Tributyl phosphine (TBP)
---------------------	--------------------------

Product No	39817445
-------------------	----------

CAS Number	998-40-3
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	202.32
-------------------------	--------

Specification

Appearance	Colourless to light yellow liquid
-------------------	-----------------------------------

Assay	≥94%
--------------	------

Infrared Spectrum	Conforms to structure
--------------------------	-----------------------
