

Specification

Technical Data Sheet

Product Name	Benzildioxime (Diphenylglyoxime)
---------------------	----------------------------------

Product No	40227134
-------------------	----------

CAS Number	23873-81-6
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	240.26
-------------------------	--------

Specification

Appearance	White solid
-------------------	-------------

Identification	Conforms to reference
-----------------------	-----------------------
