

Specification

Technical Data Sheet

Product Name	1,4-Butane sultone
---------------------	--------------------

Product No	40482562
-------------------	----------

CAS Number	1633-83-6
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	136.17
-------------------------	--------

Specification

Appearance	Colourless liquid
-------------------	-------------------

Identification	Conforms to reference
-----------------------	-----------------------

Purity GC	≥99%
------------------	------
