

Specification

Technical Data Sheet

Product Name	D-Tagatose
---------------------	------------

Product No	41068941
-------------------	----------

CAS Number	87-81-0
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	180.16
-------------------------	--------

Specification

Appearance	White to off-white powder
-------------------	---------------------------

Ash	5ppm
------------	------

Loss on Drying	<0.5%
-----------------------	-------

Assay	99% min
--------------	---------
