

Specification

Technical Data Sheet

Product Name	Phosphomolybdic acid hydrate
---------------------	------------------------------

Product No	41368819
-------------------	----------

CAS Number	51429-74-4
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	1843.52
-------------------------	---------

Specification

Appearance	Yellow powder
-------------------	---------------

Assay	$\geq 98.0 \%$
--------------	----------------

Chloride (Cl)	$\leq 0.04 \%$
----------------------	----------------

Sulfate (SO₄)	$\leq 0.05 \%$
---------------------------------	----------------

Water insoluble	$\leq 0.02 \%$
------------------------	----------------

Ammonium (NH₄)	$\leq 0.02 \%$
----------------------------------	----------------

Calcium (Ca)	$\leq 0.02 \%$
---------------------	----------------

Specification

Lead (Pb)

$\leq 0.04 \%$
