

Specification

Technical Data Sheet

Product Name	1,2-Dibromotetrafluoroethane
---------------------	------------------------------

Product No	41607644
-------------------	----------

CAS Number	124-73-2
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	259.82
-------------------------	--------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Assay (GC)	≥ 99.0%
-------------------	---------
