

# Specification

## Technical Data Sheet

<b>Product Name</b>	O-Benzylhydroxylamine hydrochloride
---------------------	-------------------------------------

<b>Product No</b>	41900673
-------------------	----------

<b>CAS Number</b>	2687-43-6
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	159.61
-------------------------	--------

### Specification

<b>Appearance</b>	White/ off white crystalline powder
-------------------	-------------------------------------
