

# Specification

## Technical Data Sheet

<b>Product Name</b>	1,2-Naphthoquinone
---------------------	--------------------

<b>Product No</b>	42251673
-------------------	----------

<b>CAS Number</b>	524-42-5
-------------------	----------

<b>Storage Temperature</b>	-15 to -20 °C
----------------------------	---------------

<b>Molecular Weight</b>	158.15
-------------------------	--------

### Specification

<b>Appearance</b>	Yellow to brown or black solid
-------------------	--------------------------------

<b>Assay HPLC</b>	>95%
-------------------	------
