

Specification

Technical Data Sheet

Product Name	4-Amino-N,N-diethylaniline
---------------------	----------------------------

Product No	42537534
-------------------	----------

CAS Number	93-05-0
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	164.25
-------------------------	--------

Specification

Appearance	solid to liquid (Low melt)
-------------------	----------------------------
