

# Specification

## Technical Data Sheet

<b>Product Name</b>	Lithium molybdate(VI) 99%
---------------------	---------------------------

<b>Product No</b>	42764027
-------------------	----------

<b>CAS Number</b>	13568-40-6
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	173.82
-------------------------	--------

### Specification

<b>Appearance</b>	White Crystalline
-------------------	-------------------

<b>Assay</b>	$\geq 99\%$
--------------	-------------

<b>Chloride (Cl)</b>	$\leq 0.1\%$
----------------------	--------------

<b>Sulfate (SO<sub>4</sub>)</b>	$\leq 0.1\%$
---------------------------------	--------------

<b>K+Na</b>	$\leq 0.1\%$
-------------	--------------

<b>Nitrates( as Na NO<sub>3</sub>)</b>	$\leq 0.1\%$
--	--------------

<b>Phosphorus (P)</b>	$\leq 0.01\%$
-----------------------	---------------
