

Specification

Technical Data Sheet

Product Name	Sodium chloroacetate
---------------------	----------------------

Product No	42830696
-------------------	----------

CAS Number	3926-62-3
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	116.48
-------------------------	--------

Specification

Appearance	White powder
-------------------	--------------

pH	4.5 - 8.5
-----------	-----------

Assay	≥98.0%
--------------	--------

Chloride (Cl)	≤0.8%
----------------------	-------
