

# Specification

## Technical Data Sheet

<b>Product Name</b>	Zincon sodium salt
---------------------	--------------------

<b>Product No</b>	43061284
-------------------	----------

<b>CAS Number</b>	62625-22-3
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	462.42
-------------------------	--------

### Specification

<b>Appearance</b>	Dark purple-red powder
-------------------	------------------------

<b>Loss on Drying</b>	≤19.5%
-----------------------	--------

<b>Absorption maxima in NaOH 0.001 mol/L</b>	490 - 495 nm
--	--------------

<b>Absorptivity (A 1%/1cm; at I<sub>max</sub>)</b>	≥375
--	------

<b>Assay</b>	≥75%
--------------	------

<b>Suitability as a Complexometric indicator</b>	Passes test
--	-------------
