

Specification

Technical Data Sheet

Product Name	Ethyl 2-bromopropionate
---------------------	-------------------------

Product No	43428714
-------------------	----------

CAS Number	535-11-5
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	181.03
-------------------------	--------

Specification

Appearance	Colourless liquid
-------------------	-------------------

Water	≤0.05%
--------------	--------

pH (1:1 water)	6.0 - 8.0
-----------------------	-----------

Purity GC	≥99.0%
------------------	--------
