

# Specification

## Technical Data Sheet

<b>Product Name</b>	Puromycin dihydrochloride
---------------------	---------------------------

<b>Product No</b>	43504617
-------------------	----------

<b>CAS Number</b>	58-58-2
-------------------	---------

<b>Storage Temperature</b>	-15 to -20 °C
----------------------------	---------------

<b>Molecular Weight</b>	544.43
-------------------------	--------

### Specification

<b>Appearance</b>	White powder
-------------------	--------------

<b>Assay (HPLC)</b>	98% min
---------------------	---------

<b>Solubility</b>	Clear, colourless
-------------------	-------------------
