

# Specification

## Technical Data Sheet

|                     |                  |
|---------------------|------------------|
| <b>Product Name</b> | Erythromyclamine |
|---------------------|------------------|

|                   |          |
|-------------------|----------|
| <b>Product No</b> | 43589591 |
|-------------------|----------|

|                   |            |
|-------------------|------------|
| <b>CAS Number</b> | 26116-56-3 |
|-------------------|------------|

|                            |               |
|----------------------------|---------------|
| <b>Storage Temperature</b> | -15 to -20 °C |
|----------------------------|---------------|

|                         |        |
|-------------------------|--------|
| <b>Molecular Weight</b> | 734.96 |
|-------------------------|--------|

### Specification

|                   |             |
|-------------------|-------------|
| <b>Appearance</b> | White solid |
|-------------------|-------------|
