

Specification

Technical Data Sheet

Product Name	1,2-Difluorobenzene
---------------------	---------------------

Product No	44215866
-------------------	----------

CAS Number	367-11-3
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	114.09
-------------------------	--------

Specification

Appearance	Clear colourless to light yellow liquid
-------------------	---

Refractive Index	1.4420 - 1.4460 (at 20°C)
-------------------------	---------------------------

Assay	≥ 99.0%
--------------	---------

Identification (IR)	Conforms to Reference
----------------------------	-----------------------
