

Specification

Technical Data Sheet

Product Name	(+)-Bicuculline
---------------------	-----------------

Product No	44241417
-------------------	----------

CAS Number	485-49-4
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	367.35
-------------------------	--------

Specification

Appearance	off white/ yellow powder
-------------------	--------------------------

Identification	Conforms to reference
-----------------------	-----------------------
