

Specification

Technical Data Sheet

Product Name	Diethanolamine
Product No	44380070
CAS Number	111-42-2
Storage Temperature	Ambient
Molecular Weight	105.14
	Specification
Appearance	Low melt - can appear as a solid below 28 °C or as a viscous liquid above this point
Identification	Conforms to reference
Water	≤0.5%
Assay	≥99%
Colour	≤25
Monoethylamine	≤0.5%

Specification

Triethanolamine

≤0.2%
