

Specification

Technical Data Sheet

Product Name	1-Nonanesulfonic acid sodium salt
---------------------	-----------------------------------

Product No	44958889
-------------------	----------

CAS Number	35192-74-6
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	230.30
-------------------------	--------

Specification

Appearance	Fine white powder
-------------------	-------------------

Purity	98% min
---------------	---------

Water	<2%
--------------	-----
